

History

- 1962- The parents of individuals with disabilities came together to create work activities for their sons and daughters. The first location was in a parent's garage in the city of Saginaw.
- 1962- In December the first board created Saginaw Valley Rehabilitation Center and it became a legal entity.
- 1968- The program moved into a portion of the Lufkin Rule Co. at 1730 Hess.
- 1982- Construction began on the new building located at 919 Veterans Memorial Pkwy.
- 1983- Construction was completed at 919 Veterans Memorial Pkwy.
- 1983- An agreement with the State of Michigan to employ Independent Living Specialists and Vocational Rehabilitation Counselors for the Michigan Commission for the Blind began. These individuals are in different counties across the State and work with individuals who are blind and in need of assistance with either activities of daily living or helping them locate and maintain employment.
- 1987- SVRC received a grant from Virginia Commonwealth University to provide Supported Employment services to persons with disabilities.
- 1990- SVRC Industries, Inc. acquired ACKO Industries, another nonprofit agency with a similar vocational rehabilitation mission and is in Owosso.
- 1994- SVRC Industries, Inc. was awarded a contract with the State of Michigan to administer the Welfare to Work programs in Saginaw County.
- 1995- SVRC Industries Inc. started the Saginaw County Transition Academy which was chartered by the Saginaw Intermediate School District (SISD) to serve at-risk middle and high school students. These students were originally referred to the program by the Saginaw County Court system and the SISD.
- 1996- SVRC Industries, Inc. acquired the ARC of Saginaw, a nonprofit advocacy agency, which could no longer continue to support its programs due to reduced funding. Originating as a grassroots movement, The ARC was initially devoted to improving the lives of individuals with mental retardation and other developmental disabilities.
- 1998- SVRC Industries Inc. started an Interim Alternative Education Program. This SISD contracted program is for students who are specially placed from all Saginaw County school districts who have been temporarily suspended from their home school.
- 1999- SVRC Industries, Inc. changed its name from Saginaw Valley Rehabilitation Center to SVRC Industries, Inc., due to the large array of services the agency provides.
- 1999- Westlund Child Guidance Clinic, a nonprofit children's mental health provider, joined SVRC Industries, Inc. due to serious fiscal difficulties. The Norman Westlund Child Guidance Clinic was founded in 1942 and provided for the assessment and

treatment of children and families living in the Saginaw area that experienced emotional difficulties, learning disabilities, behavioral problems and mental disorders. The clinic changed its name to Westlund Guidance Clinic in 2001 as it continues to adapt its services to meet the changing needs of the population it serves.

- 2001- SVRC was awarded a contract by the Saginaw County Juvenile Detention Center to run its educational programs. This program is operated in conjunction with the SISD for detained youth 10-17 years of age.
- 2002 – SVRC received its first ISO 9002:1994/QS 9000:1998 Quality Registration, SVRC was one of the first Vocational Rehabilitation agencies to complete this process in the country.
- 2003- SVRC Industries, Inc. started a specialized SISD program/classroom for Oppositional Defiant students.
- 2004 – SVRC received its first ISO/TS 16949:2002 Quality Registration
- 2005- The Saginaw County Learn to Earn Academy – chartered by the SISD, opened its doors for 16-20-year-old students' grades 10-12 who have dropped out of a previous school program.
- 2005- SVRC Industries entered into a formal contract with the State of Michigan to provide professional staffing to the Michigan Commission for the Blind.
- 2005- SVRC Industries, Inc. was invited to be a member of the Community Council for the Michigan Prisoner Re-Entry Initiative (MPRI) sponsored by the Michigan Department of Corrections. As a result, in the summer of 2006 SVRC won a competitive bid to become the Fiduciary or fiscal agent for the Saginaw County 2nd Round Pilot Site.
- 2005- SVRC Industries, Inc. saw an opportunity to help **Opportunities Industrialization Center of Metro Saginaw** by purchasing their building at 1000 Tuscola which they were in process of defaulting on and SVRC Industries, Inc. saw as an asset to the community. Through the help of the **SVRC FOUNDATION**, this building is home to SVRC's educational and youth programs and named **Tuscola Educational Center**.
- 2006- SVRC Industries Inc. was asked to provide a teacher for Health Source Saginaw's inpatient psychiatric unit. This program is for school-age youth receiving inpatient medical and/or psychiatric services. The teacher coordinates with the student's school to ensure they are keeping up on class work while receiving services.
- 2006- The Arc Services changed its name to S.A.I.D. or Saginaw Advocacy for Individuals with Disabilities. During 2005/2006 the advisory board, along with other parents and consumers spent a great deal of time advocating for consumer choice, while the Arc of Michigan and the Arc of the United States spent its time lobbying and advocating for full inclusion, at all costs, for all people with disabilities.
- 2007 SVRC turned over the MPRI fiduciary contract to Michigan Works. A contract to provide Employment Services continued.
- 2008 SVRC provided a Contact Center Training Program through two grants funded by the State of Michigan.
- 2008 SVRC received a WIRED grant from the State of Michigan to develop the agencies
